“Don, thank you for making our trip such a wonderful experience. You are a gifted teacher. To not only have the knowledge, but to be able to communicate it so well—that is real talent. You were much more than a guide: you were part of the family...we look forward to traveling with you again.”

The Finest Professional Guides

Our guide team is composed of MEN AND WOMEN from AFRICAN and EUROPEAN heritage, EACH of us with at least 25 years experience as professional guides. Our guests benefit from a depth of perspectives, knowledge and expertise missing from other luxury camping companies.

We design into every safari the exhilaration of exploration off the beaten track, the comforts of wonderful food and accommodations, and the deep satisfaction of sitting under the African stars around the campfire. It is in these moments in the quiet of a superbly run tented camp or on a secluded hillside, that the rhythm of Africa steals into your soul and changes you forever.

We believe that private tented camping with superb professional guides is the essence of the “TRUE SAFARI”, and it is something no one coming on safari should miss. JOIN US!

Welcome to the exciting world of Newland, Tarlton & Co.™

For some of you, the name Newland, Tarlton & Co. may be new, and you may wonder what happened to Donald Young Safaris and the magical experiences we organized over the past 25 years. We are still here and better than ever! Don Young is now co-owner and Chairman of the new Newland, Tarlton & Co., specializing in the world's finest safaris, safari-inspired furniture and vintage travel clothing.

The original Newland, Tarlton & Co. (popularly known as N&T) was established in Nairobi Kenya in 1904 and were the true pioneers of luxury travel in Africa. They re-defined the word *safari* as the ultimate in stylish, romantic adventure and introduced the "Golden Age" of travel to Africa. Newland, Tarlton & Co. hosted such illustrious guests as the Duke of Connaught, the Marquis of Waterford, Carl Akeley of the Explorer's Club of New York, President Theodore Roosevelt and many others.

Today as in 1904, Newland, Tarlton & Co. is the finest way to experience Africa and other wilderness destinations.
